

Minutes of 2/11/2010 KC Meeting

Meeting opened with prayer by Dc Joe and Pledge to the flag.

Thanks again to all that helped pull off the "Silent Auction" last Saturday evening. It was great.

Treasurers Report by Tony Hodgson: After we paid for the catered meal, we cleared approx \$2004. We grossed about \$2915. We have received 3 membership dues payment this month.

District Deputy Report: 2nd / 3rd degree in Altoona in April. Date has change and will let you know when so we can get the 1st degree people there. Tootsie roll give away date for council 11597 is August 12th, but not sure what shift yet. I will let Bud know so he can line up help. It's probably the 3 pm to 9 pm shift. That's 11597 council normal meeting night so we'll have to reset the meeting night.

Free Throw Contest Report by Brad Hagarty: The 2nd round is to be in Des Moines, but the regional is to be held in Colfax on March 14th at 1:00. About 20 people from the council will be needed as there are about 200 to 300 people show up to shoot.

Altar and Rosary has asked the KC's to donate money for one of two baby changing stations in the church bathrooms. The cost for this is \$185 and the council approved this expenditure. Francis Millburn stated that we should give the A & R \$100 as a one shot deal to pay for supplies that we use over the year. Phil Webb 2nd the motion and the council approved the motion.

Bud Wilson said he would like to get a picture of all the current KC membership to put next to the one in the gathering space dated 1921. Additionally, we should get anyone interested in becoming a knight through his 1st degree so they can be in the picture. Phil said he would talk to his son-in-law about taking the picture.

Dave Birkenholtz was absent, but stated earlier that only about 1/2 of the members have paid their dues. We will probably have to start a calling campaign to get everyone current.

Bob Brown would like to have homemade ice cream after mass on June 27th rather than doughnuts. The knights would also perform all duties at mass that day also. The group approved. Bob, Francis Joe, John Dross and Bud all said they could make ice cream.

Having a bingo night was discussed, but no decision was made.

Having a Knights/Church campout was discussed, but nothing was decided.

April 11th was picked to have our next pancake breakfast. Brad and or Joe would make the casserole and Bud would get the stuff for pancakes.

Leland suggested a 'Knights' brochure advertising our use to the church and parish community. It could be used as a recruiting tool. Phil was going to make a copy of the sample Leland brought and we could tailor it to our council. Leland said he would make up the finished product when we decided what we wanted.

Brice Leonard took the minutes
